YMCA of Greater Tulsa

YMCA of Greater Tulsa is a cause-driven charitable organization with a mission to put Christian values into practice through programs that build a healthy spirit, mind and body for all. Our impact is felt when an individual makes a healthy choice, when a mentor inspires a child, and when a community comes together for the common good. Young people need safe and enriching environments to try new things, develop skills, meet new people and learn what they're capable of. Giving back to those in need is our responsibility as neighbors, colleagues and citizens.

Bixby Outreach Center

It is our mission to support people through life's changes and challenges. We are committed to working together to make life better for families in crisis, providing emergency and basic needs services. Our programs are delivered with respect for human dignity, privacy and diversity. We help thousands of people every year. Join us in carrying out our mission to end hunger.
